# **2023-2024 BANGOR AREA HIGH SCHOOL PROCEDURES & GUIDELINES GOVERNING STUDENT DRIVING PRIVILEGES**

*(Please keep for your reference)*

Per School board Policy No. 223: Bangor Area High School has designated parking areas for teachers, students and other school personnel who provide their own transportation. Only students who are a **junior** or **senior** may qualify for a parking permit to park in an approved area on campus. These permits are obtained from the security office and must be displayed at all times the vehicle is parked on the school property. When applying for a permit, a student must bring to the office along with his or her completed application, driver's license, proof of insurance and vehicle's registration card. Parking permits are non-transferable. If more than one car will be driven to school, they must be registered with the District security office. All vehicles must be parked on high school property. Students may not drive a car other than the ones permitted. Criteria for obtaining parking permits will be as follows: Seniors, followed by Juniors on a first come first serve basis. Sophomores/Freshman are not permitted to park on school grounds. **Students with unexcused tardies and absences may lose parking privileges.**

**The following regulations will apply to all persons operating motor vehicles on school property:**

1. Students who wish to receive a permit must have both student and parent/guardian signature on the search waiver portion of the application. This waiver will allow any car to be searched at the discretion of a school administrator. Refusal to sign the waiver will mean a complete denial of parking privileges for the remainder of the school year.
2. Parking Permit Applications will be available at the High School Main Office. Completed application, along with a \$10.00 check made out to the Bangor Area School District, must be turned in no later than the date listed on the application.
3. Only students with approved parking tags will be permitted to park on school property beginning on the first day of school. All tags should be displayed on the rearview mirror. This tag will identify the lot and space of the car.
4. No car without a parking tag will be permitted on the parking lot. Parking tags must be displayed while the vehicle is on school property. Application for a parking permit may also be obtained during the school year upon acquiring a legal operator's card on a first-come, first-served basis.
5. Faculty and students will park as directed by the Bangor Area School District Police Department at the start of the school year. Changes will occur at their discretion.
6. Drivers and riders shall park their cars and proceed immediately to enter the building. There shall be no loitering or congregating in or around the parking lot.
7. Cars shall not park along the yellow curb or bus loading area. Bus lanes must be kept open always.
8. There will be no parking on the highway in front of the building.
9. Smoking is prohibited in cars on school property.
10. Littering the parking area is not permitted.
11. No driver of any vehicle at any time shall exceed a speed of 15 miles per hour while on school grounds or on the highway governed by school zone signs.
12. Student drivers who leave school before dismissal at 2:05 p.m. without permission of the principal will have their parking privileges suspended or revoked.
13. Persons who violate these regulations will have their driving and parking permits suspended or revoked. Any vehicle parked on school property without a parking permit is subject to fines or being towed from school property at the owner's expense.

14. All school rules and regulations apply within the parking area, as well as on the rest of the school grounds. Any disciplinary infractions occurring in the vehicle, in the parking area, or elsewhere on school grounds shall be dealt with accordingly.

### **Student Parking Guidelines:**

Bangor Area High School recognizes the importance of ensuring the orderly and safe parking of student vehicles on the high school campus. With this in mind, we establish such rules and regulations to allow students who have a legitimate reason to park on campus and are either a junior or senior, to park their vehicle in an approved area on school property. As with any set of regulations, in order to enforce them a list of sanctions must accompany these regulations. For those students who violate the regulations, Bangor Area High School will impose the following system of fines and/or discipline measures.

### **Change of School Vehicle:**

Parents/Guardians may request that a student be reassigned to a different bus stop and/or a different bus route than the original assignment only for the following reasons:

1. Change of residence.
2. Change of permanent day care, babysitter.
3. Legal shared custody, with student residing in two (2) different district households and copy of agreement on file in the school office.
